Terms & Pricing

Billing

Students' lessons will be billed monthly based on the number of lessons that will occur in the coming month. The billing will automatically renew at the first of each month, unless canceled at least 10 days prior to the first of the month. All payments will be made through Venmo (@megmcdev) or PayPal (mmcdevitt@yahoo.com). Venmo/PayPal requests will be sent on the first of each month, accompanied by an invoice. Invoices must be paid by the 5th of the month. Late payments will result in a late fee of 10% of your total for that month. If that occurs, you will be sent a new invoice on the fifth with the new total.

Lesson Policy

Students must be on time to lessons. If a student is more than 5 minutes late to a lesson, the lesson is considered missed and will be billed at full price. Students must come prepared knowing all of the assigned material, or the teacher reserves the right to end the lesson early and add the remaining time to another lesson.

Cancelation Policy

If a lesson is canceled with at least 24 hours notice, there will be no penalty. Failure to cancel with 24 hours notice, the lesson is still billed at full price. When canceling voice lessons completely, you must do so 10 days prior to the first of the month, or the next month will be paid in full. If Meg cancels the lesson, there will be no additional charge to you, and you will have the opportunity to have a make-up lesson.

Ending Lessons

When canceling lessons completely, you must do so at least 10 days prior to the first of the month, or the following month must be paid in full.

Recap Emails

To keep parents and families up to date on the progress of their child, I will be sending weekly recap emails, individualized for each student. This is for students to reference progress and assignments.

Lesson Logistics

Virtual: Lessons will take place via FaceTime or Zoom. If we are using FaceTime, I will call the student at the start of the lesson. If we are using Zoom, look for an email day-of. Students should have another device that is able to play the backing tracks provided. The structure of the lessons usually follow a pattern of two songs every two weeks. In the recap emails, students will receive links and/or attachments of karaoke tracks, sheet music and reference recordings if needed. For the very first lesson, please have your favorite song ready to be sung with a karaoke track. I just want to get a good idea of what your voice sounds like!

In-Person: I currently teach out of my home in Center City, Philadelphia. Students and any person accompanying them will have to abide by COVID-19 protocols, including triple vaccination and masks. Students are expected to have sheet music present at every lesson, either digitally or printed. In-Person, we maintain the same structure of two songs every two weeks that we will follow in virtual lessons.

Discount Promo

There will always be a standing promo if you pass Meg's Voice Studio on to friends and family! Any time someone becomes a new student with your recommendation, you will receive a free lesson!
